Voices and Dances 2024

Voices 2024 is a choir designed to allow people to have fun and make music in a safe, comfortable environment, and to prepare for a final performance. Children and adults of all ages and abilities (children under 14 with parental/caregiver participation) are welcome to participate! Voices participants will learn a variety of songs in preparation for our final performance.

Voices is directed by Sarah Staebell.

Dances 2024 offers the opportunity to explore movement and dance in a fun creative manner. You will learn 2-3 full length songs to perform at the final performance. Each rehearsal will consist of a short warm-up where you will stretch, use across the room dance steps and then you will learn a dance combination to various styles of music. **Participants** should be able to move freely, be able to follow instructions and commit to a 50-minute movement class.

Dances is directed by Jessica Padilla.
